

# Preparation for Responsible Travel Photography

What kind of photos do you find from your country of destination? Search online, in magazines, in books, on TV and in advertisements.

Which is very common and appears repeatedly?  
Which one was very uncommon?

What type of photographer are you? How, what and how often do you take photos?

(If you are shy in the beginning, keep that shyness! You are expressing attitude even with the photos you don't take.)

How do you feel when somebody takes a photo of you?
